Bandung, Jawa Barat, Indonesia | [linkedin.com/in/candra-darisman](https://www.linkedin.com/in/candra-darisman)

PROFESSIONAL SUMMARY

Experienced professional with a progressive career in technical operations, project coordination, project support, and Production Planning & Inventory Control (PPIC). Currently involved in Production Planning & Inventory Control, supporting inventory control, project target mapping, material monitoring, Sales Order verification, and coordination with project deployment teams. Previously served as Technician, Leader, Coordinator, and Staff Project Support, with extensive project experience supporting Telkomsel regional projects in Sumatera, Kalimantan, and Bali–Nusra. Strong background in coordinating customers, vendors, technicians, and internal teams, as well as monitoring project execution, material requirements, weekly/monthly targets, ATP activities, and project closing documentation.

CORE COMPETENCIES

Management & Planning

- Production Planning & Inventory Control (PPIC)
- Inventory Control
- Material Planning & Monitoring

Project Coordination

- Project Planning & Coordination
- Project Support
- Project Target Mapping
- Sales Order (SO) Verification
- Material Delivery Monitoring
- Customer & Vendor Coordination
- Project Monitoring
- Project Documentation & Closing
- Team Coordination

Technical Operations

- Technical Operations
- Electrical & Industrial Automation
- PLC, SCADA & Electropneumatic

Systems & Supply Chain

- Supply Chain Management
- Warehouse Management
- ERP / NEO
- Communication & Team Building
- Time Management

PROFESSIONAL EXPERIENCE

PT HARIFF DTE

2022 – 2024

Staff Project Support

- Supported project activities and operational coordination.
- Supported inventory control activities across customers/projects.
- Coordinated project targets with project deployment teams.
- Monitored Sales Order (SO) versus material targets.
- Monitored Sales Order (SO) versus material delivery.
- Verified preliminary Sales Orders, including new and revised SO.

PT HARIFF DTE

2022 – 2023

Project Coordinator – Telkomsel Regional Bali–Nusra

- Coordinated Telkomsel rectifier battery projects.
- Mapped project targets and coordinated with customers and vendors.
- Managed technician and vendor work permits.
- Monitored installation, swap, upgrade, and on-site ATP activities.
- Monitored weekly and monthly project achievement targets.
- Supported project closing activities and ATP documentation submission.

PT HARIFF DTE

2016 – 2022

Project Coordinator – Telkomsel Regional Kalimantan

- Coordinated Telkomsel rectifier battery projects in the Kalimantan region.
- Mapped project targets and coordinated with customers and vendors.
- Created work permits for Hariff technicians and vendors.
- Monitored rectifier battery installation, swap, and upgrade activities.
- Monitored on-site ATP activities.
- Established weekly and monthly project achievement targets.
- Coordinated project closing activities and ATP documentation submission.

PT HARIFF DTE

2013 – 2016

Leader / Coordinator / Technician

- Progressive responsibilities in technical operations, field activities, team coordination, and project execution.

PT DHANAR MAS CONCERN

2012 – 2013

Staff Electrical

- Worked in electrical/technical operations after completing education in Industrial Automation Engineering.

EDUCATION

SMKN 4 BANDUNG

Industrial Automation Engineering – Teknik Otomasi Industri

2010 – 2012
